

KERRIDALE PREP SCHOOL

Dear Parents,

Thank you for a good week, our children have finally settled and the teaching and learning has truly begun.

“It takes a whole village to train a child”

World Teachers Day

We want to thank all our parents for their kind, encouraging words and deeds towards our staff. It is nice to be appreciated in our place of work. We also thank you for trusting KPS enough to give us an opportunity to be part of your children’s learning and development.

Parents Open Day

Parents Open Day comes up on 20th October 2017, it is an opportunity for every parent to sit with their class teacher, and have a chat about your child’s progress, areas of concerns and expectations, etc. All parents with children in Key Stage 1 & 2 will be given a form to complete and bring to school before their meeting with their class teachers.

Important Announcement!

KPS Uniform Drive

KPS Uniform Drive begins on Monday 9th October 2017.

Children not dressed in the stipulated uniform will not be allowed into the school.

Key Stage 2 School Trip

We have had parents in Year 3, 4 & 5 indicate their interest in the school trip scheduled for Term 1's Mid-Term break. Some parents haven't paid for the trip and this is holding us back in making deposit for accommodation, flight and other fees. We have given an extension till Monday 9th October. I use this opportunity to appeal to all interested parents to make payments, so we can solidify our plans. This will be a good learning opportunity outside the classroom.

IXL Access

We are aware you have had problems logging in to your IXL Account, we received a mail from IXL about 7:30PM on Friday, letting us know the problem has been fixed. By Monday, Ms Lara will send home logon details and our children can get back to practising using the platform.

Read Theory

We had problems with the Read Theory platform as well, we are working to get this resolved. It is envisaged that this should be resolved by Tuesday 10th October.

KPS Value for the Month of October is Courage

Our children have started gaining an understanding of what it means to be courageous and how to model it. 19th October is World Values day, and KPS' 2nd Year Value Anniversary day.

Ms. Evah and Ms. Sarah, our values coordinator and assistant have come up with a variety of activities for the whole school community to embark on to celebrate this day, please be an active part of the celebration. On World Values Day, all our children are required to come to school dressed in their Value T-Shirt. Blue Jeans and white trainers.

To achieve this, every child is to bring a plain white T-Shirt to school before Thursday 12th October, with the name of their favourite value. On Friday 13th of October, our children will work in their art classes with the art teacher, using already created stencil and imprint their value on the T-Shirt for World Value Day.

Value for the Month of October

COURAGE

"Courage means facing your fears, it does not mean never being afraid!"

All dreams can come true, if we have the courage to pursue it.

Life shrinks or expands in proportion to one's courage

Courage in Action!!

- It takes courage to do the right thing.
- It takes courage to stand up for what is right.
- It takes courage to stand up to a bully.
