

KERRIDALE PREP SCHOOL

Dear Parents,

A big apology for sending out last week's newsletter late. KPS' says a big thank you to all our parents that were able to attend Term 3's coffee morning meeting. Below are a few highlights from the meeting

Meningitis Vaccine – Type C Immunisation Exercise

Tehilla Children's Hospital, somewhere around Peter Odilli Road, have offered to come to Kerridale to conduct an immunisation exercise if we have a minimum of 15 children. The cost is N10,000 per child. Information Slips, with payment details will go out next week, and all interested payment are required to complete the slip, and pay the cost of the immunisation for their child.

Language Please

Parents, please watch your children's language, what they are watching and what adults in the house say their presence. Some children are coming to school with swear words, and some pidgin English.

2017/2018 Session

- KPS first school trip – Our Year 3, 4 & 5 children in the 2017/2018 session will be going on an Educational school trip to Lagos in Term 1. All information will be passed on during the summer holiday.
- IXL Educational App – Subscription to IXL would cost children from Upper Nursery upwards N8,000 per child.
- Back Packs – Back packs with wheels will no longer be welcomed in Kerridale as school bags; they are dangerous on the stairs when children pull them down, and we have problems with storage. Children should be provided with back packs without wheels.
- Footwear – All footwear that do not comply with KPS mandated footwear, will not be accepted as school shoes, and children will not be allowed to wear them to school in the new session.

Upcoming Events

May 25

Parents Open Day

May 26

Start of Term 3 Mid-Term Break
