

KERRIDALE PREP SCHOOL

Dear KPS Parents,

The Federal Government of Nigeria has declared Monday 26th June and Tuesday 27th June public holidays in celebration Eid Mubarak.

Kerridale Preparatory School wishes all her family a wonderful Eid Mubarak celebration.

End of Year Pictures – update

The End-of-Year picture taking exercise has been rescheduled to Wednesday 28th June 2017, by 8:00am. All children are to come to school in their full Monday school uniform and proper white socks and school shoes. Parents, please no weave-on, or non-KPS clothing. Children not properly dressed will not be allowed to take the class group picture.

KPS Dress Code

Parents, it is alarming how children come to school poorly dressed, incomplete dressing, dirty or wearing non KPS uniform. Upon asking a child why he has no socks on, his response is ‘My auntie didn’t give me!’ Parents please this is unacceptable; our domestic helps are not the true custodians of these children, they simply cannot give the attention to detail that you can give your child. We will be checking uniforms at the gate from next week, children not properly dressed will not be allowed into the school premises.

Taekwondo Grading

A big congratulation to all our children who passed the grading exercise on Friday. Thank you to all our parents for your support.

Upcoming Events

June 28

End of Year Class Photos

July 3

End of Term Exams Start

July 13

End of 2016 / 2017
Academic Session

2016/2017 End of Year

Our theme for our end of year show, is – Back To Our Roots!
The entire school community is required to come to the end of year show dressed in African prints, except our Upper Nursery children who have a separate attire for their graduation ceremony.

Early Years Morning Assembly

Explorer children giving a presentation on how to take care of our teeth.

The Early Years group always have their assemblies on Thursday Mornings, it gives them the opportunity to sit together, and showcase an aspect of their learning, thereby building confidence.

Looking for Learning in Our Classrooms Year 4

Year 4 children in Science class, carrying out an investigation on tooth decay using egg shells and different kinds of soft drinks.

Year 1

Year 1, Science class working on movement – Push and Pull.

Upper Nursery

Upper Nursery children learning about Time.

Creating a patchwork in science, of plants and animals that live in our school.

June is Honesty

Parents, please remind our children, that honesty is always the best policy
