

KERRIDALE PREP SCHOOL

*Dear KPS Parents,
Term 3 exams are upon us, exam schedules have been sent home.*

KPS Summer School

We would like to thank all our parents for taking part in our Summer School survey. Results from the survey indicate that we do not have enough families that need our services over the summer, with that I would like to inform you that KPS Summer School program will not run this year. I do hope that those who wanted the service understands, that we must work with the numbers to make it cost effective; good luck with finding a suitable place for your children over the holidays.

End of Year Exams

Term 3's End-of-Term exams starts on Monday 3rd July 2017. Parents please revise with your children and remember to send them to school with all their books, as we would need them to round off the remaining teaching and learning for the term.

Looking for Learning Year 2

Science in our Year 2 class was interesting! All about electricity generation
– Let These Be Light!

Upcoming Events

July 3

End of Term Exams Start

July 13

End of 2016 / 2017
Academic Session

2016/2017 End of Year

Our theme for our end of year show, is – Back To Our Roots!
The entire school community is required to come to the end of year show dressed in African prints, except our Upper Nursery children who have a separate attire for their graduation ceremony.

Upper Nursery – Numeracy

Having completed a week-long learning about money, what better way to drive home the learning; a school shop was setup for them to try their hand at buying, selling, calculating change, etc.

Lower Nursery

Today, Lower Nursery had loads of fun in their PSED class; stretching their imagination on what they need to take a trip to Florida! From making passports, tickets, visa, etc.

Have a good Weekend
