

# KERRIDALE PREP SCHOOL

Dear Parents,

*This week was about books, books and some more books. Everyone had lots of fun; thanks parents for all your support, and let's remind our children daily to diligently read their books.*

## World Book Day

## Upcoming Events

**March 20**

International Day of the Francophonie

**March 21**

Start of Term 2 Exams

**March 27**

Lower Nursery Mini Beast – Hunt visit to the Flower Garden

**March 28**

Key Stage 1 & Key Stage 2 Visit to the Less Privileged home.

**March 30**

End of Term 2

**April 19**

Pupil Resumes for Term 3

Children watching a movie from one of their favourite story books – Little Red Riding Hood.

Older child reading to younger children

## KPS School Excursion

After much discussions, it has been decided that the Term 3 Key Stage 2 excursion should be moved to Term 2 of the 2017/2018 academic year. Two factors behind this change is parental financial commitment and weather. Dates and concrete details for our first school trip will be released nearer the time. Sorry for the disappointment and thank you for your understanding.

Children enjoying reading their books

## Mini Beast Trip

Our Lower Nursey children will be going on a Mini Beast trip to end their mini beast 8week lesson on 27<sup>th</sup> March. The trip is an opportunity for them to look for mini beast (creepy crawlies) in a flower garden. They look for worms, spiders, bees, beetles, etc. using magnifiers, at the end they have a picnic, discussing what they found. It is normally a wonderful learning experience.

## Key Stage 1 & Key Stage 2 Visit to the Less Privileged home.

In the Spirit of Easter, KPS always visit the Less Privilege home. Our children take food, old clothing, old books, cash, donated by parents to the less privileged. Having the children go on this trip help them understand and be grateful for how fortunate they are. It is another vehicle for learning.

Older child reading to younger children

**Other Learning Experiences for the week**

**Year 4 Science Class on the Human Skeleton & Bones**

**Upper Nursery children closed their learning on Raining days by going out and experimenting with weather proof materials.**

Lower Nursery in Through the Bible class acting out Jesus Feeds the 5000

**KERRIDALE PREPARATORY SCHOOL**

**Value for the Month of March**

**Self-Discipline**

*'If we don't discipline ourselves, the world will do it for us.'*

"Discipline is doing what you know needs to be done, even though you don't want to do it."

"Mastering others is strength. Mastering yourself is true power"

**Self-discipline in Action!!**

- I use my time and resources wisely in all I do.
- I do what I have to do even when I don't feel like doing it.
- I am learning how to control my emotions

*Have a restful weekend  
Ms Kerry*
