

KERRIDALE PREP SCHOOL

Dear Parents,

I hope you have all had a good week, we at KPS have, especially our children.

Meningitis Update

A big thank you to our parents that could attend the meningitis talk; however, the low turnout was a disappointment. It saddens us as a school, having made arrangement with Dr Lawson-Jack so our parents can benefit for their household, that a school of over 50 parents, not even up to 10% turned up for a talk that could potentially save a life now or in the future.

Meningitis Vaccine – Type C

Kerridale School has been informed that a paediatric hospital in Port Harcourt has the Type-C Vaccine. We would investigate and update you next week on how you can get your children immunised.

Term 3 – Parent Coffee Morning

Term 3's Coffee morning would hold as advertised on Friday 12th May 2017. Our meeting start at **8:15am prompt**, and we will try to wrap up by 9:00am.

We would like to advice that every child be represented by at least one parent. We have a lot of information to pass on about requirements for the new session – 2017/2018. Please note, drivers or domestic helps are not allowed to represent a child.

Lower Nursery – Numeracy Properties of Shapes

Activity Based Learning - How many side does a triangle have?

Upcoming Events

May 12

Parents Coffee Morning

May 25

Parents Open Day

May 26

Start of Term 3 Mid-Term Break

Thank You Dr Lawson-Jack

The Staff and pupil would like to say a big thank you, for your time and love for Kerridale Community. When it was evident, that the parents were not coming and we suggested, your talk to the primary children, without preparation for their age, you rose to the occasion! The quality of questions they raised, assured us that it was well worth it.

Lower Nursery – Creative Development Foot Prints

Activity Based Curriculum -How many foot prints do I need to get from the beginning to the end of the paper?

Explorer Children

Creative Development Stars & Rainbows

Numeracy Learning numbers with caterpillars

Immunisation Records Update

Children's immunisation is an ongoing exercise, while it helps your child, our KPS staff are also protected; therefore, as a school it is our duty to ensure that all children's immunisation is up to date. We would therefore ask again all parents that have not submitted an updated copy of their child's immunisation record should ensure that it is brought in next week.

All records not brought in by Friday 12th of May, will not be allowed into school on Monday 15th of May.

Do have a restful weekend.

Kerry Ogedegbe

Traditional Face Cloth

Face cloth check will be carried out at the gate all through next week, please ensure your child comes to school with their face cloth.

After School Club

After School Club has started, children will not be allowed in clubs if they have not paid, teachers are not allowed to send children to clubs unless proof of payment has been verified from Ms Mfon.

Homework Club

Homework Club, has had only one payment with loads of verbal promises that they want their children to join. If payment does not come through for up to six children next week, we would have to cancel the club.
